

Dear Allergy Provider,

For your patient to receive allergy immunotherapy injection services at UVA Student Health and Wellness (SHW), please complete these 3 steps:

1) Ensure each allergy serum vial is clearly labeled with the following:

- Patient Name
- Date of Birth
- Content(s)
- Dilution from concentration in volume per volume (V/V)
- Expiration Date

2) Complete and sign the Allergy Immunotherapy Physician Order Form found here:

<https://www.studenthealth.virginia.edu/allergy-clinic>

3) Extract vials may be sent via Fed-Ex or hand delivered by the student during SHW business hours.

We do not accept shipments from other carriers except Fed-Ex. Contact us in advance to ensure Student Health & Wellness will be open and to alert us of their pending arrival.

We do not accept shipments from other carriers except Fed-Ex. Contact us in advance to ensure Student Health & Wellness will be open and to alert us of their pending arrival. All Fed-Ex packages should be sent Via Next Day Delivery and labeled “REFRIGERATION REQUIRED” and addressed as follows:

UVA Student Health and Wellness  
Attn: Allergy Clinic  
550 Brandon Ave.  
Charlottesville, VA 22908-0706

Thank you,

Arwen Wagler, BSN, RN  
Director of Nursing Services
