

To enroll dependents on the Aetna student health plan once the student enrollment has been processed (5-7 days after submitting through HealthyHoos), go to www.uvastudentinsurance.com and login with Uva email address and birthdate.

**Darden students should use the combination of letters and numbers shown in example below and not the Darden email address.

Let's get started!

Welcome to Aetna Student Health, We've made it easier to enroll online. Simply answer a few questions to get started.

Dependents may be added to the Aetna student health plan after a student's enrollment to the plan has been processed. Students may enroll in the Aetna student health plan for 23/24 at <https://www.healthyhoos.virginia.edu/> Please allow 5-7 days for processing.

Dental plan enrollment is available during UVA Insurance Verification timeframes for Fall and Spring.
