Spring 2022 Main Questions Featured on the PHE Application

Question 1:
Why are you applying to be a peer health educator? How do you think being a peer health educator will impact your personal growth and in what areas do you hope to make community impact? (maximum word count: 200 words)

Question 2:
What previous experiences (academic, volunteer, personal or work-related) have prepared you in some way to be a peer health educator or to deal with some of the issues that the peer health educators address? (maximum word count: 250 words)

Question 3:
Choose ONE of the following questions. (maximum word count: 150 words)
A) What reality TV show do you think you could win and why?
B) What is an embarrassing moment that turned out to be a wonderful learning experience?
C) What's your real life superpower and why?

Question 4:
Give an example of how the values of diversity, equity, and inclusion could be included in peer health education programming. (maximum word count: 250)

Question 5:
Talk about a memorable experience working on a team- try to address any obstacles that you overcame and reflect on what worked and what didn't. (maximum word count: 250 words)

Question 6:
Please explain how you will balance your role and responsibilities as an active and engaged Peer Health Educator, along with your other time commitments for next year (maximum word count: 100). Keep in mind the Fall ‘22 PHE training course on Tu/Th 2:00-3:15 PM and weekly meetings on Tuesdays, 5-6 PM.

Are you available to enroll in the 3-credit required training course for the fall 2020 semester from 2:00–3:15 on Tuesdays and Thursdays? (Y/N?)

Are you available to attend the required weekly team meetings on Tuesdays from 5:00–6:00 PM? (Y/N?)
